1 Handout 1 • Relapse Prevention Group continued on other side Alcohol: The Legal Drug It is often dif?cult for patients to stop drinking when they enter

## **chaotic creations — Betrayal [Yandere! Chat Noir] [Reader ...**

The day was peeking close to midday. The expected weather of the afternoon was clear blue skies, and warm sun rays which would bask everything beneath them.

## **Advice Line Radio Programs fhu1.org**

ADVICE LINE Radio Programs 2019: Each day this page will be updated with Roy Masters' latest Advice Line radio program. Recorded live from the previous evening, the 3 hour program (three 1 hour segments) is available in MP3 audio.

## **zefram cochrane | Tumblr**

Just a reminder that in one version of Star Trek TNG canon, first contact occurred not when the Vulcans arrived, but when Zefram Cochrane and half-Betazoid Deanna Troi drank shots of tequila for hours together while everyone else was busy fighting the Borg.

## **OBSESSED WITH A BORDERLINE Attraction and Revulsion**

The following material was written for individuals trying to recover from a relationship that's had toxic consequences for them, and is not intended as a support resource for Borderlines or anyone with BPD traits.

## **Bear | Dream Dictionary | dreamhawk**

Often people dream of a bear coming to attack them, but because all the images, people, animals, places we see in our dreams, are simply your own feelings, fears, hopes and wonder projected onto the screen of your sleeping mind as images, there us nothing to be afraid of.
