Massive Change | Bruce Mau Design

Massive Change. Whether we realize it or not, we live in a designed world. The question is: will this be a design for destruction or for a sustainable new world that we can safely hand down to our children and our children's children?

Massive Change von Institute without Boundaries; Bruce Mau ...

In essays, interviews, and provocative imagery, this book explores the changing force of design in the contemporary world, and expands the definition of design to include the built environment, transportation technologies, revolutionary materials, energy and information systems, and living organisms.
