Mikroaggressjon –

En mikroaggressjon er en uttalelse eller handling som indirekte, nonchalant, vagt eller utilsiktet oppfattes som nedvurdering av person eller gruppe, oftest på grunn av deres opphav, seksualitet, kultur, klasse eller religion.

Social privilege

In anthropology, privilege is a special right, advantage, or immunity granted or available only to a particular person or group. In sociology, privilege is the perceived rights or advantages that are assumed to be available only to a particular person or group of people.

Microaggression

Microaggression is a term used for brief and commonplace daily verbal, behavioural, or environmental indignities, whether intentional or unintentional, that communicate hostile, derogatory, or negative prejudicial slights and insults toward any group. The term was coined by psychiatrist and Harvard University professor Chester M. Pierce in 1970 ...

Microaggressions: More than Just Race | Psychology Today

This is a great article. I think, however, that much more discussion should be given to the microaggressions that minorities direct towards majority groups and other minorities within their own group.
